## Introductions

### Leaf blower ordinance

- Alternative practices and education
- Leaves in the street are dangerous for bikers

### Valerie Hunter Mural Presentation @ 3334 Belmont Ave (Belmont Pub)

- Looked at the photos
- Will ask Valerie what kind of feedback she's looking for

## Houselessness

- Add [pdxreporter.org](http://pdxreporter.org) to Resources section of website
- Lighting in Sunnyside Park? - NE corner light might just need to be repaired / serviced?
  - Dale to contact PBOT about presenting at our meeting
- SES PTSA meeting went well
- [Dunkin] Folks aren't dangerous just because they're sleeping outside. Need to get houseless perspective into our conversation
  - Q Center Speaker's Forum
    - Group of houseless and formerly houseless folks who can come and provide houseless perspectives at meetings like ours, etc
  - Street Roots staffers
- Provision of a POD during warming season
  - Location?
    - Walgreens?
      - Too far?
  - Can we provide security / facilitation so people using the warming shelters know their possessions will be cared for?
- Re-collection of blankets, jackets, etc after warming season
  - Put note in a pocket
  - When camps are swept, possessions are commandeered to a far off location
